

Call for Abstracts

The Abstracts (up to 250 words) of original research work must be communicated on email: researchmeet@sggswu.edu.in latest by March 18, 2022. The title of abstract(s) should be in CAPITAL and BOLD (font size 14, Times New Roman/Unicode for Punjabi) followed by name(s) of the author(s) (in capital and bold, font size 12) along with affiliation (in running, italics, font size 12) and Email address. The name of the presenting author should be underlined. Text of the abstract should be written in MS Word using Times New Roman/Unicode for Punjabi (font size 12). The abstract must conform to any of the main themes of the research meet and clearly mention the section.

Registration

This meet is only for delegates registered as Research Scholars in any university of India or Abroad. Registration fee for the event is Rs.500/-. The registration fee covers conference kit, working lunch and session tea. The registration fee does not include dinner and accommodation charges. Delegates are requested to intimate their travel plans in advance to avoid last minute inconvenience. The participants are required to declare their mode of presentation i.e. online or offline during online registration process. The participants can register online at below link:

<https://forms.gle/XeDFkwp93hx8xWtR6>

Advance payment of registration fee should be made in the form of online payment at following account number:

Account No. : 38317206571
IFSC Code : SBIN0051324
Name of Bank : SBI, SGGSWU Branch, Fatehgarh Sahib

The Proof of online payment should be submitted through online registration form latest by March 18, 2022.

How to Reach

Sri Guru Granth Sahib World University is located on the Fatehgarh Sahib-Chandigarh road about 4 Km from Amritsar-New Delhi National Highway (10 minutes journey), 50 Km from Ambala cantonment (1 hour journey), 45 Km from Chandigarh (1 hour Journey) and 250 Km from New Delhi (about 5 hour journey). The nearest airport is Chandigarh international airport (1 hour journey). The nearest railway stations are SirhindJn: (5 Km and 10 minutes journey), RajpuraJn: (25 Km and 30 minutes journey) and Ambala cant.: 50 Km and 1 hour journey.

ORGANIZING COMMITTEE

CHIEF-PATRON

PROF. A.S.BRAR

Pro-Chancellor, SGGSWU

PATRON

PROF. PRIT PAL SINGH

Vice-Chancellor, SGGSWU

CO-PATRON

PROF. I.J.S. BANSAL

President, Punjab Academy of Sciences

CONVENER (S)

PROF. S.S. BILLING

Dean Academic Affairs, SGGSWU

PROF. PARAMVIR SINGH

ISCA - Patiala Chapter

CO-CONVENER (S)

DR. YADVINDER SINGH

Assistant Professor
Dept. of Botany & Env. Science

DR. PANKAJ PREET SINGH

Assistant Professor
Dept. of Physiotherapy

ORGANIZING SECRETARY(S)

DR. RAHUL BADRU

Assistant Professor
Dept. of Chemistry
70099-37486

DR. SUMIT KUMAR

Assistant Professor
Dept. of Economics
84276-61128

DR. SIKANDER SINGH

Assistant Professor
Dept. of Punjabi

3rd NATIONAL RESEARCH SCHOLARS MEET

ON

"INNOVATION CHALLENGES IN INTERDISCIPLINARY RESEARCH & PRACTICES"

MARCH 24-25, 2022

HOSTED BY

**SRI GURU GRANTH SAHIB WORLD UNIVERSITY
FATEHGARH SAHIB**

IN ASSOCIATION WITH

**INDIAN SCIENCE CONGRESS ASSOCIATION
PATIALA CHAPTER**

Indian Science Congress Association

The Indian Science Congress Association (ISCA) owes its origin to the foresight and initiative of two British Indian Chemists, namely, Prof. J. L. Simonsen and Prof. P. S. McMahon. The Association was formed with the following objectives:

- To advance and promote the cause of science in India
- To hold an annual congress at a suitable place in India
- To publish such proceedings, journals, transactions and other publications as may be considered desirable.
- To secure and manage funds and endowments for the promotion of Science including the rights of disposing of or selling all or any portion of the properties of the Association.
- To do and perform any or all other acts, matters and things as are conducive to, or incidental to, or necessary for the above objects. For detailed Information kindly visit: www.sciencecongress.nic.in

ISCA, Patiala Chapter

One of the focal objectives of Indian Science Congress Association (ISCA), a premier and the oldest scientific organization of the country, is to promote scientific temper among young scholars as well as mid-career scientists, and to encourage them for participating in various programmes relevant to fundamental, experimental and operational activities aimed at human welfare. Keeping in view, ISCA initiated opening of Regional Chapters since 1986-87 at various places in the country. The Indian Science Congress Association (ISCA) Patiala Chapter was started in 1996. In order to promote scientific temper, the Chapter has been regularly holding a seminar on the theme of the ensuing Indian Science Congress. Besides this, the chapter has been successfully organizing several kinds of activities like observation of National Science Day, World Environment Day, Environment Awareness Campaign, Science popularization activities, Workshops/Seminars/Conferences, Exhibitions, etc.

About Fatehgarh Sahib

The holy city of Fatehgarh Sahib is the place where Sri Guru Gobind Singh Ji's younger sons, Baba Zorawar Singh and Baba Fateh Singh, were entombed while still alive and His mother, Mata Gujri Ji, also left for heavenly abode here. The place also holds significance for people of other religions as well. Many historic temples and mosques dedicated to saints of different faiths are established here. The town is surrounded by four commemorative gates each in the memory of four important figures from Sikh history associated with Sirhind. Each of these belonged to different castes or religions, showing the harmony and brotherhood among the people of those times. Sirhind is also noted as burial site of Sheikh Ahmad Farooqi Sirhindi, founder of Naqshbandi-Majaddaddi School of Sufism. An ancient site of Harappan culture is maintained at Sanghol by Archeological Survey of India. Moreover, the royal city of Patiala and Chandigarh are at a

distance of just 45 Km from here. More details about the city may be found at www.fatehgarhsahib.nic.in. It is the winter season here in North India in these days and the temperature generally remains low in the range 10°C-25°C. The participants are advised to pack their bags accordingly.

Sri Guru Granth Sahib World University

Sri Guru Granth Sahib World University, Fatehgarh Sahib has been set up by Shiromani Gurdwara Parbandhak Committee (SGPC) to commemorate the historic event of the 400th anniversary of the compilation and first installation of holy Sri Guru Granth Sahib at Sri Harmandir Sahib, Sri Amritsar. The university is located at Fatehgarh Sahib, a place sanctified by the unique martyrdom of the younger sahibzadas of Guru Gobind Singh Ji. The University is fast evolving as a seat of higher learning in the sphere of religious studies as well as in Emerging Technologies. The University has a mandate to focus on intensive study, research and training in areas of world religions; cultures and civilizations; eastern and western thought and other related disciplines of arts & humanities, social sciences, pure & applied sciences, engineering sciences and medical sciences. In order to prepare the young men and women to be 'Global Professionals', the university is simultaneously focusing on 'Emerging Technologies' including Biotechnology, Nano-technology, Information technology as well as emerging disciplines like Environment, Human rights and Empowerment of Women and the Down-trodden. The University is running twenty eight departments under ten Faculties. The University has prepared a curriculum where stress has been given on Human, Moral & Ethical Values and concept of Universal Brotherhood to transform the raw young students into enlightened human beings & responsible citizens.

Focal Theme

Earlier research was discipline-bound and now-a-days the focus has been shifting from basic research to resolve bigger issues like climate change, food and water crisis, public health issues, and multi-layered social issues etc. Presently, research has transcended the conventional boundaries of disciplines and entered into the interdisciplinary approach. It is believed that interdisciplinary research can resolve many current problems that cannot be resolved with discipline specific research. Due to global and collaborative nature of research, interdisciplinary research is deemed to be the future of research.

However, academicians who delve into interdisciplinary research face many issues and challenges like funding, gaining recognition and even publications. Apart from problems related to funding and publication, interdisciplinary research involves greater challenge - innovation & reaching a common ground. However, the growing trend of interdisciplinary research globally is an indication that proponents of varied disciplines are collaborating seamlessly & generating new

ideas. Keeping this in mind, Sri Guru Granth Sahib World University, Fatehgarh Sahib (Punjab) in association with ISCA Patiala Chapter is going to organize 3rd National Research Scholars Meet on the theme "Innovation Challenges in Interdisciplinary Research & Practices" on March 24-25, 2022.

Areas

The Research Scholars meet includes oral/poster presentation and panel discussions (**online/offline mode**) on various disciplines, as given below:

Section A: Medical, Environmental, Physical, Mathematical, Chemical & Life Sciences, and Engineering & Technology

1. Physics, Chemistry, Mathematics, Material Sciences, Environmental Sciences, Earth Sciences etc.
2. Biological Sciences (Animal, Plant etc.)
3. Engineering & Technology (all Branches of Engineering & Technology)
4. Agricultural & Forestry Sciences

Section B: Social Sciences, Education, and Information Sciences

1. Economy and Economic Studies, Applied Economics, Development Economics.
2. Education, Physical Education, Sports Sciences
3. Defense, Public Administration, Police Administration
4. Geography, History, Political Science, Psychology, Sociology
5. Library and Information Sciences

Section C: Languages and Religious Studies

1. Language Studies and Linguistics
2. Literary Theory and Literary Studies
3. Cultural Studies: Literature and Languages
4. Comparative Religions and Religious Studies

Section D: Commerce, Management and Legal Studies

1. Human Resource Management, Finance, Marketing, Strategic Management, Knowledge Management, Managing Innovation.
2. Commerce, Accounting, Taxation, Auditing, Business and Legal Environment, Entrepreneurship, International Business, Applied Management and Business studies
3. Legal Studies, Judicial System, Legal Education, Geographical Indications, Bio-diversity
4. Constitution, Rights, Protection Laws, Intellectual Property Rights, International Laws

The detailed guidelines for online/offline mode of presentations shall be notified to the registered candidates on their email ID.
