Sub:- M.Sc. Pharmaceutical Chemistry – need for  
MOU with a Pharmaceutical College.

\* \* \*

Theory classes for M.Sc. Pharmaceutical Chemistry programme is in progress. The University is conducting classes with the academic consultants and guest faculty. Till the university appoints permanent faculty there is a need to take the support of a pharmacy college for conducting theory and practicals. As such to conduct practical classes there is a strong need to have a good laboratory. Since we are in the process of establishing the laboratory, there is a need to send our students to establish laboratory for the conduct of practicals. Hence there is a need to enter an MOU with a P.G. college offering pharmacy courses.

The management of Chalapathi Institute of Pharmaceutical Sciences, Guntur is interested to enter into MOU with Krishna University and offer their support the conducting the theory and practical classes for the students of M.Sc. Pharmaceutical Chemistry.

In light of the above the following points may kindly be considered.

- 1) To consider to accord permission to enter into MOU with Chalapathi Institute of Pharmaceutical Sciences, Guntur.
- 2) If point (1) is agreed, the draft MOU enclosed as Annexure-A may be approved.
- 3) Permission may be accorded to the Registrar to sign the MOU with M/s. Chalapati Institute of Pharmaceutical Sciences, Guntur.
