REPORT-KRISHNA TARANG-2022

Krishna Tarang-2022, the prestigious three-day extravaganza of talent and culture, took center stage at Krishna University, Machilipatnam from the 9th - 10th of December 2022. With grandeur and fervor, Prof. K.B. Chandrasekhar, the esteemed Vice-Chancellor of Krishna University, inaugurated this magnificent Youth Festival. Prof. Chandrasekhar, in his address, underscored the remarkable achievements of Krishna University's cultural team, consistently clinching numerous accolades at both state and national levels, a testament to their unwavering dedication and talent.

The essence of Krishna Tarang-2022 transcended boundaries as UG and PG students from various affiliated colleges of Krishna University converged to partake in this cultural extravaganza. This year's edition witnessed a monumental leap, expanding its horizons and outreach significantly. Dr. M. Koteswar Rao, the University's cultural activities coordinator, noted with pride the alignment of the festival with the AIU event schedule, orchestrating competitions across five major domains: Music, Dance, Literary Events, Theatre Arts, and Fine Arts.

The festival's schedule boasted a diverse array of talents, showcasing the creativity and ingenuity of the participating students. It served as a vibrant canvas where myriad performances painted a picture of harmony and coexistence, resonating amidst a world grappling with discord and division. A staggering number of nearly seven hundred students enthusiastically engaged in the events under these five captivating categories, each contributing their unique flair to the cultural tapestry.

Krishna University's fervor and commitment transcended the confines of its campus as it proudly dispatched a forty-nine-member contingent to the South Zone Inter-University Youth Festival, embodying the spirit of unity and excellence. The climactic conclusion of Krishna Tarang-2022 witnessed mesmerizing cultural performances, notably by the first prize-winning team of folk dance, captivating the audience with their vibrant display of tradition and artistry.

Behind the scenes, a dedicated cadre comprising faculty, students, and non-teaching staff labored tirelessly to orchestrate every facet of the festival, ensuring its seamless execution. Their collective efforts transformed Krishna Tarang-2022 into not just an event but a celebration—a celebration of the rich tapestry of our culture and the boundless beauty of performing arts.

As the curtains drew to a close on yet another edition of Krishna Tarang, it left an indelible imprint, a testament to the power of unity, creativity, and cultural exchange. In its wake, it served as a beacon of inspiration, igniting the flames of passion and excellence in the hearts of all who had the privilege to witness its splendor.

KRISHNA UNIVERSITY YOUTH FESTIVAL REPORT - KRISHNA TARANG 2018

KRISHNA TARANG 2018, the three-day Krishna University Inter-Collegiate Youth Festival, was organized by Krishna University, Machilipatnam at P.B.Siddhartha College, Vijayawada from 24th -26th November 2018. Sri.Lakshmi Kantham, Collector of Krishna District, inaugurated this Youth Festival. Krishna University vice-chancellor Prof.S.Rama Krishna Rao said that KRU cultural team had bagged many state and national-level awards every year. The UG and PG students across the 152 affiliated colleges of Krishna University participated in this event.

Krishna Tarang 2018 took a giant leap, and widened both its scope and reach tremendously. The University cultural coordinator, Dr.N.Usha observed that as per AIU event schedule, the university organized competitions in 25 events including Classical Vocal Solo (Hindustani/Karnatic), Classical Instrumental Solo (Percussion), Classical Instrumental Solo (Non-Percussion), Light Vocal song(Indian), Western Vocal (Solo), Groups Songs (Indian and Western) and Folk Orchestra, Folk, Tribal and Classical dances and One Act Play, Skit, Mime, Mimicry, Quiz, Elocution, Debate, Clay Modelling, Collage and Spot Painting. With 82 productions making it to the final list of performances, the schedule for this year's festival is a rich mix of talent with several creative ideas. This mixed palette of performances perhaps reinforced the very idea of harmony and peaceful coexistence in today's world of strife, disturbances and division.

Nearly 700 students participated in 26 events under six categories including music, theatre and fine arts and Krishna University will send a 32 member contingent to South Zone Inter-university Youth Festival to bring marginalised voices of fringe communities to the national platform. Colourful cultural performances were given by first prize winner team of folk dance at the concluding function of Krishna Tarang 2018. Over 150 faculty, students and non-teaching staff worked tirelessly to organize the festival and the festival is a celebration of our rich culture and performing arts.
