Background

Though there is a huge demand globally for skilled pharmacy graduates, lack of Industry exposure for the students making them unemployable. Through this MoU, we would like to create an ecosystem that benefits mutual achievements through industry collaboration and establishing knowledge network.

Objectives

1. To promote and enhance academic interest between the two parties.
2. To make provisions for research and for the advancement and dissemination of knowledge.
3. To organize and to undertake extra-mural studies and extension services and to provide advice for implementation of quality measures in the curriculum and teaching.
4. To promote research/continuing education activities between the two parties.
5. Bridging the gap between Industry and Academia for carrying research on newer drug delivery systems useful in treating different diseases.

Areas of Collaboration

1. Provide academic interaction by delivering special lectures on topics of relevance to modern pharmaceutical industry.
